

JCurve Solutions is looking for a Project Manager in Thailand

Who is JCurve Solutions

JCurve Solutions brings the right cloud technology and talented people together. Then we help companies achieve greater business success. Want to know more? Check us out [[here](#)]

What is the role?

Our Project Managers are responsible for managing the delivery activities of JCurve Solutions (JCS) products and solutions.

Who is the ideal person for this role?

Somebody who is passionate about Cloud Business solutions, and helping businesses improve and grow. Somebody who is passionate about culture. Somebody who can live our values [[here](#)]. And of course passionate about Project Management. Because the role involves all the stuff you would expect:

- Knowledge of Cloud Business solutions.
- Ensuring the timely commencement for any customer engaging project and setting realistic expectations for the delivery of the project both internally and externally.
- Ensuring project delivery on time, to budget and to customer expectation.
- And keeping the Project tools and CRM up to date and accurate of course.

How to apply

Send your resume, a short introduction and the details of the position or area for which you're applying to hr@jcurvesolutions.com. We can't wait to hear from you!
